## Uniserial Trivia Pursuit

In Trivial Pursuit, scoring is all about collecting wedges by answering questions correctly. Here are the main categories and scoring options:

### ### Categories

1. **Geography**: Questions about locations, countries, and physical features.
2. **Entertainment**: Questions about movies, music, TV shows, and celebrities.
3. **History**: Questions about historical events, figures, and dates.

4. **Art & Literature**: Questions about books, authors, paintings, and art movements.
5. **Science & Nature**: Questions about biology, chemistry, physics, and natural phenomena.
6. **Sports & Leisure**: Questions about sports, games, hobbies, and leisure activities.

### ### Scoring Options

1. **Wedge Spaces**: When you land on a wedge space and answer the question correctly, you earn a wedge of that color.
2. **Standard Spaces**: Answering questions correctly on standard spaces allows you to keep your turn and move again.

3. **\*\*Bonus Track\*\***: Some versions of the game include a bonus track where correctly answering questions can move your pawn further and provide additional strategic advantages.

4. **\*\*Final Question\*\***: Once you have collected all six wedges, you must return to the center of the board and answer a final question correctly to win the game.

Trivial Pursuit is a game of knowledge, strategy, and a bit of luck.
